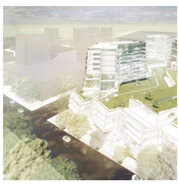
DESCRIPTION

Oval will be the second Landa contribution to the lively Oval Village neighbourhood. Like its predecessor, Cascade City, Oval is also expected to enjoy architectural acclaim through innovative contemporary design. Located on a prime 3.5-acre site, Oval will offer opportunities for exceptionally designed and built homes of varying sizes, modern retail in vibrant neighbourhood, and much-needed modern hotel space.



NEIGHBOURHOOD

Oval is situated directly across the street from the world-renowned Richmond Olympic Oval, which was converted to a dynamic community centre after the 2010 Olympic Winter Games. The facility includes extensive indoor recreation, including multiple ice rinks, hardwood sport courts, walking and running track, fitness facilities, table tennis, and much more. The surrounding neighbourhood has become one of the most sought-after in the region. Other local amenities include Richmond Library, Minoru Park, and walking and cycling trails along the Fraser River. The site is just 10 minutes' drive to YVR International Airport, and well-connected to SkyTrain and transportation routes leading to downtown Vancouver and destinations throughout the region.
