Live, Work, Play, and Invest in Surrey City Centre

Within a 10-kilometre radius of PIANO, jobs abound for thousands of professionals in health, medical, science, technology, finance, education, and civic service. In the last 10-years, the city invested $13.7 billion worth of new construction. Surrey is among the fastest growing cities in BC and is projected to become the most populated city in BC by 2041. Every year it welcomes over 10,000 new residents and on average 6,000 new jobs are created annually, adding to its growing resident labour force. Recognized as a top place to invest, Surrey is also headquarters central, attracting many high quality company headquarters to its downtown core.

A New Landmark Tower In Surrey City Centre

Rising above Surrey City Centre, the two towers' stunning free-flowing terraces respond to B.C.'s landscape, blurring the lines between the urban environment and natural surroundings. Distinguished by this gracefully curved architecture, PIANO's one-, two-, and three-bedroom homes and townhomes offer a uniquely modern living experience with optimal views in every direction.

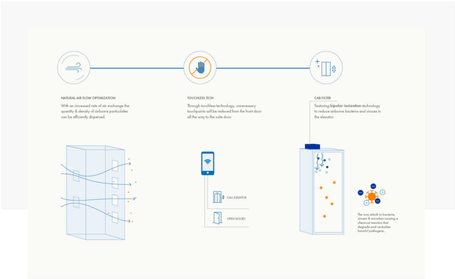
Integrated Smart Living For A Future-Proof Design

Concord BioSpace is a multi-layered system that creates cleaner and safer indoor spaces through improved airflow and contact management in high-traffic areas. Access to major entry points and high-traffic shared areas including elevators can be controlled through your mobile phone while amenity areas will be serviced with high-speed Wi-Fi. Designed with the future in mind, this forward-looking series of technological enhancements and features makes for healthy, holistic living at every turn.



Water Damage Protection System

A key aspect of delivering high quality sustainable buildings for residents is adopting a practical approach to protecting the most valuable and vulnerable areas within the building. Flood-related incidents can quickly escalate, resulting in costly repairs, substantial increases in insurance premiums, and major disruptions to day-to-day life. Working with a top team of consultants, Concord Pacific will be adding a range of preventative measures to all new buildings, including preventing unintended triggers of fire sprinklers, protective enclosures for elevator machinery, early flood detection, and fast, remote responses to shut off water at the source.

Reflect Your Personal Tone

PIANO's suites are conscientiously designed to be your urban sanctuary. Efficient and open layouts enhance your lifestyle with carefully chosen features, fixtures, and finishes. Personalize your living space with the warm, inviting Crema colour scheme, or opt for the greyscale elegance of Grigio.

Each stunning option lends its own unique feel to your new home, which is accentuated by expansive quartz engineered stone slab countertops and large-format tile, plus sophisticated details throughout.

Refresh and Rejuvenate

A blissful haven where every day begins and ends, your bathroom is a key part of your living space. PIANO's bathrooms are seamlessly harmonized with the rest of the home with lacquer/laminate vanity cabinets and an engineered quartz stone countertop. To transform your bathroom into a spa-like retreat, a soaking tub and/or sleek glass enclosed shower stall, large format porcelain tile flooring and surround, soft close built-in drawer organizers, Grohe plumbing features, and chrome Kohler finishes complement the design.

A Culinary Delight

Modern and enduring, PIANO's kitchens elevate your culinary experience. High-quality custom cabinetry, under-cabinet lighting, refined European stainless steel kitchen appliance package with gas cook-top, smart storage solutions, and high-end fixtures are configured for how you live. The thoughtful design helps you to intuitively maneuver in the kitchen and simplifies daily life.

A Home for Your Life´s Rhythm

Harmonious living doesn't just apply to PIANO'S amenity spaces, it also includes your home. Warm, modern, and elegantly chic, the open-plan living and kitchen area is a place to gather and get comfortable. Expansive windows ensure this space is awash with natural light and breathtaking views. Enriching the suites' airy layouts are carefully chosen features, fixtures, and finishes, plus central heating, and air conditioning.

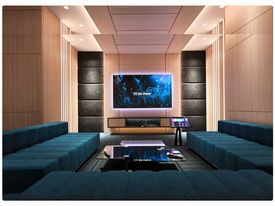
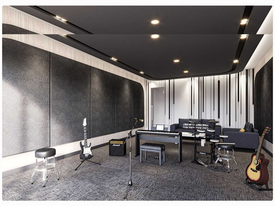
Come Home to Harmony

Calming piano melodies and a warm "hello" from the concierge welcome you home in PIANO's spacious Grand Lobby, located just off City Parkway in Surrey City Centre. A harmonious entry point, the refined lobby is connected to an inviting Piano Lounge. Here, you can display your musical talents or enjoy an evening recital from the self-playing music feature.



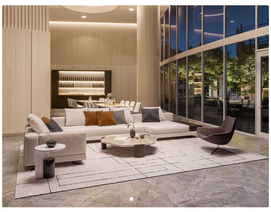


Nurture Your Musical Aspirations

Create harmony at home. Hosting friends and family extends past your personal space with an Entertainment Lounge, plus Sports and Games Lounge. Immerse yourself in the magic of music with the Soundproof Band Studio. Invite friends for a fun night of sing-along in the Karaoke Room. Explore a selection of other music-related amenities that include the Grand Piano Lounge and Private Music Practice Room. These rare private musical spaces deliver impeccable acoustics and professional sound quality – helping you to thrive as a musician, develop your skills, and reach all your musical ambitions.

For All Your Memorable Moments

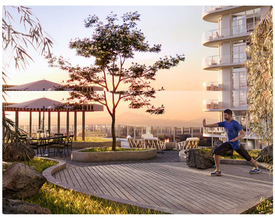
PIANO's multitude of indoor and outdoor amenities are designed for making memories. Hosting friends and family extends past your personal space with an entertainment lounge, plus sports and games lounge. Go from relaxing to challenging friends to a game of billiards or ping pong. There are also spots to catch the game on a big screen and numerous outdoor experiences. Complete with BBQs and ample seating and dining areas, these open-air spaces are fitting for sharing meals with guests.



An Extension of Your Home

"Step into my office" takes on a new meaning with PIANOS's well-equipped Co-Working Lounge. In response to the growing demand for flexible work environments, and specifically intended to meet the needs of today's modern landscape, PIANO offers a residential co-working space. An extension of your home office, this spacious hub contains private and shared meeting rooms, plus workstations. Like all of PIANO's common areas, the Co-Working Lounge features reliable high-speed Wi-Fi, allowing you to have a productive workday.

Your furry family members are also PIANO residents, and they deserve the best. After splashing through muddy puddles and rolling around in the grass, watch your dog's tail happily wag as you wash it down in the onsite self-serve Pet Spa with custom washing and grooming stations.



A Tranquil Getaway at Home

PIANO's landscape reflects the idyllic natural environment of the West Coast. Several meticulously landscaped terraces, complete with gardens and panoramic views, create opportunities to enjoy fresh air. Host your guests using the provided BBQ grills and the seating and dining areas. Rebalance and reground yourself in the Tai Chi Zone or Yoga Deck, and sink into a new sense of harmony, unlike anything Surrey residents have experienced before.
