THE RAPHAEL NEIGHBOURHOOD

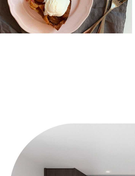
A Refined Vision for Living & Entertaining

The same European influences conveyed in Raphael's architecture are subtly expressed within the homes by the renowned Ste. Marie Design Studio. Two colour palettes, Light and Dark, set a soft yet sophisticated tone for everyday living, while engineered hardwood flooring is an elevated touch. Every detail, from decorative accents to rich natural materials, has been meticulously sourced to maintain design cohesion throughout.



A Modern Expression of Timeless Design

An intelligent design flow ensures an efficient use of space within kitchens. The depth of quality in materials is evident at first glance — marble countertops and backsplash, brass accents on the island, and Italian-made cabinets. Chef-grade appliances by Wolf and Sub-Zero are impressive in both their calibre and appearance. With a backstrap like this, everyday meals become gourmet and entertaining achieves new levels of sophistication.

Relaxation is Palpable in Master Ensuites

Close the door and feel the outside world disappear. Composed of marble-inspired floors and walls, granite countertops, and chrome fixtures, the ensuite beautifully contrasts materials for a lasting impression of refinement. An Italian floating vanity and medicine cabinet provide plenty of space for toiletries, and a spacious standing shower complements a freestanding bathtub,* offering choice when it comes to moments of respite.

A Soothing Bedroom Enclave

Whether master or secondary, bedrooms are designed to arouse comfort. The cavernous spaces are part sleeping quarters, part retreat. Closets feature efficient organization systems to hold the most treasured pieces of your wardrobe. In select homes, step from bed to your private patio and take a deep breath of fresh morning air.

An Elevated Outlook From the Rooftop

A stunning view of your lush community and the towering mountains awaits on Raphael's private penthouse rooftop terraces. With areas for dining and lounging, there are limitless ways to enjoy this outdoor space. Host a barbecue for friends, relax in the afternoon sunshine, or watch stars sparkle in the night sky.
