A RARE WATERFRONT PARADISE

Welcome to the George Marine Residences, in historic Gibsons Landing, a relaxed waterfront paradise located just 40 minutes from West Vancouver.

GEORGE
GIBSONS MARINE RESORT & RESIDENCES

Settled in 1886 by pioneer George Gibson, the Town of Gibsons rose to national fame during the 1970s with the Beachcombers TV series. George continues to watch over the village centre where he once played the roles of the Town's first innkeeper and postmaster.

Recipient of several international accolades including "Best Drinking Water" and "Most Livable Town in the World", Gibsons is abundant with arts and culture, miles of beaches, everyday conveniences and a charming harbourfront setting.

THE MOST LIVEABLE TOWN IN THE WORLD

Located at the "Gateway" to the beautiful Sunshine Coast, Gibsons is just five minutes from the Langdale Ferry Terminal and a short 40-minute BC Ferry to Horseshoe Bay, West Vancouver.

GIBSONS AREA AMENITIES

LIVING ON THE COAST

Living at the George Marine Residences In Gibsons Landing means you can walk to the local markets, art galleries, boutiques, the museum, library, the marina and of course the beach!

ON THE WATER

Everyday you can try a different watersport from paddling to boarding to sailing when you live at the George Gibsons Marine Residences. A brand new Seawalk extension will connect you from the marina to the beach and beyond.

NEXT TO NATURE

Live close to nature. Hike, bike, or watch eagles soar from your spacious terrace overlooking Keats Island and the North Shore mountains. Howe Sound is resplendent with fish, birds, dolphins, seals and even the odd Orca.

AROUND TOWN

Great shopping and services are just steps away in the Landing. Enjoy delicious seafood restaurants, local craft beer, coffee, gelato and even locally made jams or honey. Many nearby venues offer farm fresh organic veggies, eggs and more.

ART & CULTURE

Theatre, dance, art classes, galleries, heritage walks and live music! You will find myriad activities all year round to satisfy your arts and cultural interests in Gibsons.
