ALL THE
THINGS

Life is more than one puzzle piece. A beautiful life is built from a mixture of ingredients — lifestyle, community, connection, and creativity being just a few. And they come together at Sydney Townhomes.

Twenty modern and family-oriented townhomes station life on a quiet cul-de-sac in central Burquitlam. Steps to the SkyTrain. Close to the conveniences and connections of Lougheed City Centre. Minutes to all kinds of nature. It's the strong framework you need to build your vibrant life.

BE LIFE FORWARD

These modern 3 bedroom and flex, brick-architecture townhomes by Trillium Projects are designed for today’s impassioned generation — in a community that’s emerging as a next big thing. Innovation, function, style, and pride are the building blocks for the architecture and interiors, with value and quality running deep throughout.

Expect: lots of in-home storage, laundry rooms, built-in desks, direct access to parking, EV charging, private yards, rooftop decks, an expansive outdoor amenity, and more.

A STRONG FRAMEWORK TO BUILD YOUR VIBRANT LIFE

Our 3 bedroom and flex townhomes are wrapped in a unique and contemporary brick façade, with native plantings, private yards, rooftop decks, and a near 2,000-square-foot outdoor amenity softening the urban image.

A modern take on classic brick architecture is rejuvenated for today by Stuart Howard Architects — traditional brick and contemporary metal stitch together the urban and single-family fabrics of the neighbourhood.
