Richmond's Fastest Growing Master-planned Transit Community

Artistic design and smart living embody the Galleria master-planned community, consisting of five towers divided into the Da Vinci Collection (Phase 1) and the Picasso Collection (Phase 2). Positioned next to the upcoming Capstan Canada Line station with on-site retail and dedicated office spaces for forward-thinking professionals, Galleria is a part of a lively surrounding that ensures ease of everyday convenience. A luscious 2-acre community park offers optimal enjoyment of tranquil nature and quality time with loved ones. Resort-inspired amenities, world-class finishes and smart technology are infused into each home, encouraging colourful and intelligent living for all.

01. SUPREME LOCATION

Unparalleled Connectedness

Perfectly situated at the epicenter between Richmond and Vancouver, Galleria neighbours the upcoming Capstan Canada Line station. This new community is simply a few minutes from Vancouver, away from the heavy traffic in the city centre of Richmond, while Vancouver's downtown, Vancouver International Airport, the University of British Columbia, Burnaby Metrotown and the U.S. border are all within a 7 to 20 minutes' drive away.

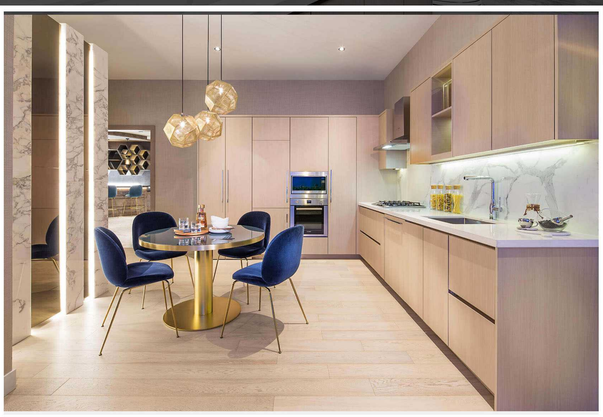
Interiors



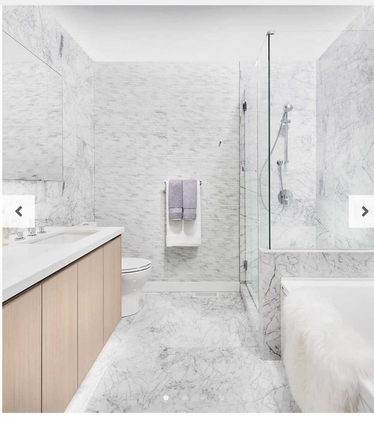
The Home Experience

Sleek design, timeless quality and genuine functionality come together for a harmonious blend at Galleria. Offering elegant and efficient floor plans, combined with expansive windows to bring the outside in, each residence boasts wide plank laminate flooring throughout & large format Calacatta tile finishes. With a choice of two color selections (Sunrise Chiffon & Evening Silk), Galleria offers you dynamic living in the style you want.

Da Vinci Collection Picasso Collection

Your Private Getaway

Slip on your favourite terry cloth robe after an exciting outdoors adventure or complement a fun night out with friends by completely immersing yourself in the rejuvenating experience of your personal pampering space. With your luxurious master bathroom's soft lighting and large Calacatta tile flooring, which attractively surrounds the tub and/or shower, there is nothing quite like indulging in the escape of your own sacred space at home.



Art of Culinary Flair

Whether you are a novice cook or spend hours dreaming up worldly cuisine, your Galleria kitchen will awaken your culinary side. Its cabinetry with soft-close hardware and under-cabinet lighting, quartz stone countertops, track or pot lighting and an integrated stainless steel Miele or Bosch appliance package that includes a gas cook-top not only comes together beautifully but proves functionalities as well. Your kitchen turns into a welcoming environment for guests as you impress them with your latest creations.

A Smart Approach to Storage Solutions

Galleria offers beautiful and thoughtful designs and premium smart organizing solutions throughout: in your kitchen, bedroom and bathroom, you'll discover spaces and built-in closet & drawer organizers to maximize space and conveniently sort your items such as cookware, utensils, toiletries, etc., making it seamless to meet your daily needs. Picasso Collection's Premium E-Bike Storage units are each equipped with an electrical outlet allowing charging of electric bikes. For those who would like additional privacy, a private garage option is also offered at Galleria.
