

NEIGHBOURHOOD
PARK

The site plan shows a large green central area labeled 'NEIGHBOURHOOD PARK'. To the left of the park is a circular paved area and a rectangular 'FUTURE OFFSHORE STATION'. A road labeled 'NO. 3 ROAD' runs vertically on the left side. A 'POTENTIAL OVERPASS' is indicated with arrows at the top and bottom left. The bottom of the plan is bounded by 'CAPSTAN WAY'. A road labeled 'HAZELBRIDGE ROAD' runs vertically on the right side. The plan is divided into two main construction areas: 'PHASE TWO' on the left and 'PHASE ONE' on the right. Both phases show building footprints, parking lots, and landscaping with trees. A small label 'L1.03' is visible near the top right of the Phase Two area.

PHASE TWO

PHASE ONE
