LOCATION

THE FUTURE OF SURREY IS NOW

Be a player on the global stage at The Manhattan.

Surrey's future shines bright, expected to surpass Vancouver by 2029 and emerge as a regional leader in BC and Canada. The greatness of this urban centre, brimming with opportunity, is here. Surrey is already a metropolitan on par with global cities — vibrant, diverse, and progressive.

A CENTRE OF EDUCATION

Recognizing the potential of the region, the province's top universities, UBC and SFU, have plans in motion to expand their presence in Surrey. This creates numerous opportunities for employment, education, and research.

A DYNAMIC DESTINATION

SURREY'S CENTRE BLOCK

Surrey's vibrant economic, cultural, and transit hub. With two towers ascending from a lively podium, alongside retail spaces and public plazas, it will be a focal point for growth and accessibility. The rejuvenated Surrey Central SkyTrain station makes it a destination for the Lower Mainland.

IRRESISTIBLE LIVING

Experience a vibrant lifestyle where arts, culture, and nightlife converge. Immerse yourself in a symphony of colours and textures, indulge in the eclectic dining scene, sip cocktails in atmospheric bars, or dance the night away, shaping friendships that last.
